HOLIDAY & WINTER BEER GUIDE HERE

SLIGHTLY FURRY CIDER! - Based in Seattle's Central District, Slightly Furry is a queer and furry-owned beverage company making hard cider on a mission to build a radically inclusive space for their community.

- **Slightly Furry Purrfectly Pear Cider** - Apples and Pears purrrfectly go together in this limited edition cider. It's a delightful balance of fresh juices that make this one an easy sipper or blended with some of our other ciders like CinnaBEAR for that warm spiced pear treat (cans & draft available)
- **Slightly Furry SNEPberry Cider** - It's Cozy Season. Get ready to pounce on this purrrfectly tart cranberry cider! Our SNEPberry has a delightful berry bite and snowy-white finish, all inspired by the majestic snow leopard. It's a taste so good, it's practically a cuddle in a can. Find your new favorite today! (cans & draft available)
- **Slightly Furry Cinnabear Cider** - Slightly Furry started with this blend of Apple, Cinnamon, and Brown sugar as their first homebrew batch back in 2013. It was such a hit amongst their friends that they kept making more while they kept asking when it would be for sale. That feedback began the idea of Slightly Furry as we know today. So, we are bringing back the classic for you to enjoy any time of the year and be instantly transported into fall amongst gatherings of furry friends (cans & draft available)
- **Slightly Furry Pineappowl Cider** - PineappOWL pays homage to a dear friend of the company. Not only was he our first investor before we even arrived in the PNW. He was our first taste tester, voting tie breaker, and continues to be our biggest cheerleader. We crafted this cider after his original Owl fursona as a thank you to him and all his support. We balance the bright citrus flavor Pineapple is known for with more apple juice to tame the acidity. This cider is best enjoyed with friends in your favorite setting. Whether it be on the beach, around a campfire, or if you were him, a nice book in your claw while relaxing on the couch (cans & draft available)
- **Slightly Furry Witches Tree Cherry Cider** - Witches' Tree gets its name from ancient folklore where cherry trees were linked to witches, medicine, mysticism, and magic. Depending on the tradition the tree could be a beacon of healing or harbinger of harm, so we felt it wise to make our first cherry cider with two types of cherries to continue the balance of good and evil. When reading about the history of cherry trees we learned that as the leaves of the cherry tree wilt they produce cyanide, and that deer were believed to be one of the few animals immune to its' toxins. Couldn't think of a better critter to put on can (cans & draft available)
- **Alesong Rhino Suit BA Stout** - The first spirits-barrel-aged beer we released at Alesong, Rhino Suit remains one of our favorites. This year's rendition of our bourbon-barrel-aged imperial milk stout was matured in a blend of freshly emptied Henry McKenna 10-year and Elijah Craig 8-year bourbon barrels. Velvety layers of vanilla and oak mingle with sweet and chocolatey malt flavors of the base stout. Decadent notes of chocolate, cocoa, caramel, toffee, and of course bourbon make it perfect for cold weather. Wrap yourself in a warm winter blanket, or as we like to call it, a Rhino Suit (draft & bottles available)
- **Alesong Señor Rhino BA Stout** - Señor Rhino shares the same wonderfully rich and chocolatey base blend of Rhino Suit, our bourbon-barrel-aged imperial milk stout, but Señor forges its own identity. Inspired by Mexican hot chocolate and aged in Heaven Hill barrels, this stout oozes with rich cocoa and spicy cinnamon aromas with background notes of sweet vanilla. Señor Rhino also has a surprise on the finish with a hint of heat from roasted ancho chiles that provides the perfect complement to the full-bodied decadent flavors (draft & bottles available)
- **Alesong Petite Cherry Parliament BA Sour** - A lower-ABV version of Cherry Parliament, this Flanders-inspired ale bursts with tart cherry aroma and finishes with balanced acidity and notes of dark chocolate. Aged in retired wine barrels with Montmorency cherries from the Columbia River Gorge, then finished in oak that previously held our imperial milk stout, Rhino Suit (bottles & draft available)
- **Ancestry Smores Stout** - Roasted and chocolate malt sweetness with flaked oats — layered with notes of toasted marshmallow, melted chocolate, and graham cracker (draft available)
- **Baumans Cheers to the Land Cider** - Cheers to the Land is a collaboration between Oregon's great craft beverage makers and the Oregon Agriculture Trust (OAT). Our base cider blended with Oregon's own Marys Peak strawberries, grown on our farm. Filtered and lightly back sweetened (cans available)
- **Baumans Guava Grapefruit Cider** - With the taste of islands, sun and sailboats, our Guava Grapefruit cider is a delicious blend of our base apple cider, the tropical sweetness of guavas and the tangy zing of grapefruit infused with pink peppercorns for a little spice (cans now available)
- **Baumans Lemon Lavender Daze** - Lavender Lemon Daze is a visually stunning cider that will captivate both the eye and palate. Infused with hues of butterfly pea flower, each pour reveals a mesmerizing lavender blue that transforms in harmony with the natural pigments of the ingredients. The delicate floral notes of lavender are perfectly balanced by the bright zest of lemon, creating a refreshing and aromatic experience. This cider is not just a drink; it's a celebration of vibrant flavors and visual delight (draft available)
- **de Garde The Daily Wild Ale** - A spontaneous wild ale aged in oak, blended from two 6-year-old barrels (draft available)
- **Future Primitive Raspberry Gose** - Light, snappy, saline, and pleasantly tart. We brewed the un-fruit version of this with Fal Allen of Anderson Valley and are happy to present its pink and very berry reprise. Look for a clean, crisp tartness and a subtle bready finish (draft & cans available)
- **Future Primitive Agitator Doppelbock** - In keeping with German tradition, this malt-driven dark lager is neither sweet nor bitter; but round, nuanced, and delicately sturdy. Look for toasted toffee, airy chocolate, and light roasted caramel. 7% ABV (draft & cans available)
- **Future Primitive Later Nick NZ IPA** - Whether you know Nick Marianetti from behind the bar or the brewery glass, you're sure to miss him and his affable smile as he turns his attention toward the sunny shores of New Zealand this month. Brewed with a combination of Washington and Southern Hemisphere-grown hops, this beer bursts with white wine, coconut, and kiwi fruit. Ka kite ano, Nick. 6.7% ABV (cans available)
- **Garden Path Spon Ferment Raspberry Haskap Wild Ale** - A single, select barrel of spontaneously fermented beer from our fifth season refermented on locally-grown Raspberries & Haskap, conditioned with local honey and young, actively fermenting spontaneous beer from our sixth season (draft & bottles available)
- **Garden Path Local Harvest Cider** - Rustic yet elegant naturally sparkling extra cider made from local cider apples (bottles & draft available)
- **Garden Path Golden Age Saison** - Four grain native yeast saison, dry-hopped with Eldorado (cans available)
- **Gigantic/Baumans Afterglow Shandy** - Our collaboration with Bauman's Cider is the ultimate fall sipper—a bright, refreshing blend of pilsner malt and freshly pressed apple cider juice. Lightly hopped to amplify the natural fruit character, it's crisp, vibrant, and dangerously drinkable. We call it 'Afterglow' for the way it shimmers in the glass—and for that warm, golden feeling it leaves behind after a couple of these 7% beer/cider hybrids (draft & cans available)
- **Gigantic Santa Clones Winter Warmer** - Inspired by Portland's beloved Santa Clones—a dazzling display of over 400 vintage 1960s blow-mold Santa figurines that mysteriously appear in a secret location in Portland each year. Discover a rich and malty brew with notes of caramel, and a hint of dark fruit—perfect for warming up on chilly nights. Proceeds from the Weirddastic Series of beers are donated to 'Weird Portland United,' a nonprofit that supports the artistic risk-takers who keep our city weirdly wonderful (draft & cans available)
- **Gigantic Cat Ate my Stash & Pissed on the Xmas Tree IPA** - This festive IPA is loaded with the dankest, sticky, drippy, and piney hops the Gigantic brewers could get their hands on (cans & draft available)
- **Gigantic Most Most BA Imperial Stout Mix Pack** - 3 Bottles of Each of Bourbon Barrel, Scotch Barrel, Peated Scotch Barrel & Westward Whiskey

Uhhh, Alice, DuDA - This is a very modern take on the Puss. Where they once were dark, bitter, piney affairs, here we balance the spiciness of the mix with a

- **Hetty Alice KYPÄ** – This is a very modern take on the Kypä. Where they once were dark, bitter, piney affairs, here we balance the spiciness of the rye with a lighter, drier base and fruitier, more expressive hops. This one bangs. Pours a glistening honey-gold with super creamy foam. Aromas of grapefruit soda, orange marmalade and spicy rye precede big soft flavors of lychee, pineapple and spice before a long, juniper-citrus finish (cans & draft available)

- **Hetty Alice Wintertime IPA** - pours a radiant marigold with a lacy crown of dense white foam. Aromas of guava, mandarin and peach lead to notes of mango, fig and toasted biscuit before a clean, crisp, resplendent finish (draft available)

- **Jester King Terp Zombie Double Hazy IPA** - Shuffling out of the dunes to a soundtrack of slow-rolling riffs, Terp Zombie is our terpene-forward Hazy Double IPA built for total aroma saturation. We set off with @freestylehops MegaTerps (Terpene Optimised Phantasm Blend), then layer in hand-selected New Zealand Cascade. On top of this base, we dry hopped with our 2025 lots of Nectarone and Nelson Sauvin, amplified by a full dose of Galaxy and Nectarone @abstraxhops Quantum. Full-bodied with soft, complex bitterness and notes of saturated passionfruit, mango nectar, and peach rings, lifted by lime zest and tangerine oils. A subtle dank/resin thread keeps it grounded on its march. Juicy, plush mid-palate and a long, aromatic finish (draft available)

- **Jester King Urban Mutation Farmhouse Ale collab w/ Other Half** - Barrel aged ale refermented with Motueka hop infused honey (bottles available)

- **Jester King Harvest of Ashes Hazy IPA** - Hazy IPA w/ Rakau, Riwaka, and Mosaic Cryo, and finished w/ Riwaka & Southern Cross hop kief (cans & draft available)

- **Jester King Satyr Pilsner** - A mischievous nod to our roots, The Satyr marks the return of a familiar face—once perched atop our earliest tap handles, now grinning proudly from the can. Inspired by the timeless simplicity of a classic German pilsner and the unruly spirit of Jester King's early days, The Satyr bridges past and present with clarity and craft. Brewed with Weyermann Pilsner malt, a touch of Carafoam, and hopped with Hallertau Mittelfrüh and Tettnanger from our friends at Crosby Hop Farm, this lager layers crisp bready malt, delicate herbal spice, and clean bitterness for a snappy, satisfying finish. Unfiltered, unpasteurized, and lagered with Hill Country well water, The Satyr is tradition done our way—bright, honest, and a little wild around the edges (draft available)

- **Little Beast Gusano Gose** - Gose style beer with coriander and worm salt – Worm salt is a traditional salt served sprinkled on an orange slice, with a small glass of Mezcal. The worm salt is a combination of Oaxacan sea salt, smoked Oaxacan chiles, and dried and ground worms (gusano) from the agave plant. “In 2022 I visited CDMX and happened to come across this brewery – trying their La Sour con Chapulines – a sour beer with grasshoppers. A truly inspiring beer. So, when I got paired with Luis from Cru Cru, I was very excited to make a beer with him!” (draft available)

- **Little Beast Happy Joy IPA** - Orange/amber in color and fragrant with classic hopping (Chinook, Centennial, Simcoe) against a firm malt bill with a touch of malty sweetness. Rich, piney dank notes blend seamlessly with flavors of orange marmalade; a firm and lingering bitterness creates a dry and more-ish finish (draft available)

- **Little Beast Third Bird Oatmeal Stout** - Smooth and soft with subtle notes of coffee and chocolate, this oatmeal stout is a fine choice any time of day, whether you're an early bird or a night owl (draft & cans available)

- **Living Haus Carey Lager** - Is a tasty little lite lager we brewed with our close friends at Reel M Inn the iconic fried chicken dive bar here in Portland. Easy and crushable is all we're going for with this one! (cans available)

- **Living Haus Toby Cream Ale** - This cream ale was brewed for the 10th anniversary of the Portland SheBrew festival. A classic cream ale base beer with some modern hop twists. Citra and Amarillo provide a lightly fruit forward ale that is uniquely crushable. Gold Medal at OBA 2025 (draft available)

- **Living Haus Florian Festbier** - Florian, a delightful festbier brewed with German Pilsner and Vienna malts. Generous amounts of spicy Spalter Select and floral Tettnang hops accentuate the biscuit and toast characters in the beer (cans available)

- **Living Haus Irma WC Pale** - Our buddies Oli and Erika made the short trip from Sweden to work on this little fall pale ale with us. A light malt sweetness balances out the bright and zesty lime nose of this beer while the blackberry finish gives it a light juicy flavor. We used a blend of pilsner and pale malts to support this wonderfully aromatic Centennial hopped beer! Centennial and Centennial CGX along with a dash of Simcoe hops give this one a big lime zest nose and a big berry finish (cans available)

- **Living Haus Pearl Coffee Stout** - We got together with our friends from across the pond @stigbergetsbryggeri to create a wonderful new stout that we added a touch of freshly roasted coffee and vanilla to. We blended a complex array of crystal, chocolate, and roasted malts with malted and golden naked oats to create a full bodied yet quaffable base stout and then we layered in Sumatran Paju coffee from @thepuffcoffee and a touch of Madagascar vanilla to top it off (draft available)

- **Living Haus Hasta la Raiz Pineapple Lager** - We are proud to brew this nationwide collaboration in support of the Freedom For Immigrants foundation. A simple pilsner malt base and a dash of Lorien hops create a bright and elegant beer, while a dash of pineapple puree gives this a tropical nose and a sweetness that compliments the clean hop bitterness (draft & cans available)

- **Living Haus King Stahlman WC IPA** - an explosively aromatic IPA stuffed to the gills with Mosaic, HRC-003, Citra Cryo, and Amarillo hops. Waves of candied peaches and dank ganja notes blend seamlessly with the mango and ripe berry flavors. A touch of soft bitterness and pine resin linger in the background (draft & cans available)

- **Living Haus Tres Hermanos Dark Mexi Lager** - Our new dark lager has a delicious bend of pilsner, vienna and carafa malts along with a dash of flaked corn. Biscuit, soft toffee and just a hint of roasted coffee flavors meld with the chocolate orange aromas. We think this is the perfect beer for the cooler days and even cooler nights! (draft & cans available)

- **Living Haus Carol Pils** - Our Three Way collaboration with Wayfinder and Human People is a tasty little Keller Pilsner. The beer uses Saaz, Spalter Select, and Styrian Celeia hops along with a single decoction to add malt complexity and a spicy, noble, and soft fruitiness (cans available)

- **Living Haus Johnny V WC IPA** – Fort George Collab - The Astoria legends came by to brew this killer IPA which is loaded with Simcoe, Chinook, and Amarillo hops. Big berry and pineapple notes are complimented by the stonefruit and piney finish (cans available)

- **Living Haus Charlie Autumn IPA** - Charlie is a brand new Autumn IPA, brewed specifically for the fall. It is a reminder to slow down for a second, take in what sun you can, and just appreciate your surroundings. Even if it's a little colder now. A blend of Pale malts create a light base while dashes of pale chocolate and carafa special III give us a gentle toasted bread characters and a beautiful orange hue. Simcoe, Centennial and Citra Cryo hops provide layers of berry and orange marmalade notes for that familiar fruity kick. These hops are all from our new hand selected lots and we are so excited about what aromas and flavors they are adding to all of our new beers! (draft available)

- **Norte Watermelon Hibiscus Sour** - The flavors are spot on 'kicking it in the shade' with this crisp, refreshing beer. With the deep pink/red color of a watermelon (draft available)

- **Shonramer Pilsner** - Our pilsner is much more hopped and at the same time slimmer than many other representatives of the style. As with all our beers, we only use exquisite Bavarian aroma hops. And you can taste or smell it. Because despite the 45 bitter units, our pilsner never seems scratchy or lingering bitter, but always remains harmonious and ends with a finely lingering bitterness. Most recently, it was awarded gold at the European Beer Star in 2025, making it World Champion in the German Style Pilsner category (draft available)

- **Shonramer Helles** - Our Helles is a real classic and fits every occasion. Balanced, uncomplicated and at the same time elegant thanks to the sophisticated hop additions. So it rarely remains with just one (draft available)

- **Shonramer Gold** - The Schönrämer Gold is a strong festival marzen. It captivates with its full body and fine hop aromas. This combination makes it particularly palatable and makes you forget that it has a whopping 5.7% alcohol (draft available)

housemade blend of passionfruit lemonade. 3.7% abv (draft available)

- **Sig Even Flow Pale** - Modern American Pale Ale brewed with pale malt, oats, and red wheat and kettle hopped with McKenzie and dry hopped with Dolcita. Huge aromas of fuzzy fruit, passion fruit, a touch of citrus, and a whisper of intrigue with pineapple, cream, and vanilla. Pours a slightly off clear yellow, but if definitely not a hazy pale (1/6bbl draft available)
