New & Featured Products - Week of 8/12

- **Baumans Little Green Apples** - A bright and juicy blend of three beautifully aromatic bittersweet green apple varieties: Bulmer's Norman, Michelin, and Brown Snout (bottles available)
- **Baumans Porters Perfection** - Porter's Perfection shines with all of its bittersharp glory in this zingy, fruity nectar. Notes of lemons and a slight green olive brininess are held aloft on a cushion of well-integrated tannins that leave you thoughtful and unhurried (draft & bottles available)
- **Boon Millésime Kriek** - an "Oude Schaarbeekse Kriek". In the summer of 2020, the cherries were harvested with which we made this delicate, traditional fruit beer based on Belgian Schaarbeek cherries and lambic. We had the fresh cherries fermented with lambic beer that had already aged for 18 months in wooden barrels. We used a total of 270 grams of cherries per litre. We then allowed the resulting cherry lambic to mature for another 6 months in oak casks (bottles available)
- **Buoy Easy IPA** - Take it easy this summer with the smooth, rounded flavor of Easy IPA. This golden-colored IPA is bursting with berry and dank, earthy aromas. Hopped with a trifecta of Pacific Northwest-grown Citra, Estate Comet, and Azacca hops. It's a taste of afternoon sunshine after the coastal morning fog (cans available)
- **Buoy Italian Pilsner** - Brewed with Eraclea barley grown near the Adriatic Sea northeast of Venice and a tri-fecta of German hops. Buoy Italian Pilsner has a noticeable malty-sweet aroma with notes of oat & honey and earthy, herbal & spicy hop notes & aromas (cans available)
- **Dalliance Ace of Shells WC Pilsner** - This beer features a blend of pilsner malts with a modest bouquet of mango, pine, and citrus aromas (draft available)
- **Dalliance Three of Stones Apricot Sour** - This beer features bright acidity with jammy apricots and just enough sweetness to bring it all together (draft available)
- **DeGarde The Daily** - It's finally ready. Your new 'daily drinker.' A blend of two and six year old barrels, hitting all the right notes. Funky and complex, but balanced for that second glass. Or third. Do what's right for you. With enough aged barrels, we're finally able to offer something that we've always wanted to; a long aged, spontaneously fermented beer, at a cost that doesn't have to be a significant consideration. We proudly offer you this stunning option (draft & bottles available)
- **Future Primitive 34 Counts IPA** - Alora, Eldorado, German Amarillo 7% This juicy IPA is not flabby, doesn't lie, is full of character and bold in taste. However, it is orange in hue. So good it IS criminal (draft available)
- **Future Primitive Abundance IPA** - West Coast IPA benefitting the White Center Food Bank (cans available)
- **Norte Guava Sour** - For the friends of summer, longing to embrace the bright citrus and tropical fruit flavors from this tart and crisp ale, we raise this pint. To the warm evenings spent with friends, salud! Great at the beach. Great on the couch. Wherever you are, we hope you enjoy this delightful beer! (draft & cans available)
- **North Jetty Boneshaker IIPA** - Named after the song by Australian rock band Airbourne, this IPA was designed to make you want to shake your bones. With aromas and taste of sweet citrus and berry, an incredibly smooth finish, you will not believe that this IPA is 7.9% (cans & draft available)
- **North Jetty Double Ecto Hazy IIPA** - An imperial version of our Ecto Hazy series - this one with Rakau and Motueka hops both out of New Zealand (draft available)
- **Sig Wedzona Piwo: Grodziskie** - Smoked Polish style wheat ale brewed with 100% Weyermann oak smoked wheat malt and hopped with German Magnum and Contessa hops. Lively and effervescent, our take on this classic Polish style ale is a smoky sweet symphony that is more subtle than many other smoke beer styles as oak smoked wheat is more gently smoked than many of its counterparts (draft available)
- **Sig Simcoe Mode WC IPA** - We LOVE Simcoe hops here at Sig and are excited whenever we get to feature this hop. Simcoe Mode IPA has been a returning seasonal for 3 years now and just keeps hitting harder with each batch! Brewed with, you guessed it, SIMCOE and Citra then DDH'd with Simcoe Cryo and Citra TNS hop extract (cans available)
- **Sig Taniwha Drinks Tonight NZ Hazy IPA** - All NZ hopped IPA brewed with Freestyle NZ Hops Nelson Sauvignon, Kohia Nelson, and Maui Nelson SubZero Hop Kief. Layers of tropical goodness wrapped in a fluffy hazy base. Note: a taniwha is the mythical Maori creatures of the sea, often depicted as dragons or serpents. Basically the NZ equivalent of a kraken (cans available)
- **Sig It's Like WOW! WC IPA** - This new IPA is what I want to drink this summer. Brewed with Pilsner, Carafoam, and a kiss of honey malt, kettle hopped with Magnum for a balanced bitterness, late hopped with Mosaic for aroma, whirlpool hopped with NZ Kohia Nelson, then DDH'd with Amarillo and Mosaic. Citrus marmalade meets blueberry jam meets a southern hemisphere tropical zing on the finish (draft available)
- **Sig The Fair is Canceled - Cotton Candy Sour Ale** - We've been brewing this beer ever since the shutdowns of 2020 stripped away much of the fun families got to have that summer. This kettle sour ale is loaded up with boo berry cotton candy floss and drinks like liquid sour candy. It's our way of bringing the fun back! (cans & draft available)
- **Sig London Brown Ale** - Classic London style Brown Ale brewed with William Crisp Maris Otter and a variety of UK specialty malts and hopped with East Kent Goldings (draft available)
- **Single Hill Future Echoes WC IPA** - Like a serpent eating its own tail, everything old is new again. We've reinvented one of our first canned IPAs with a futuristic hop bill of Enigma, Amarillo, and Citra hops for notes of orange peel and tangerine (draft & cans available)
- **Single Hill Pay it No Mind Hazy IPA** - Brewed in Collaboration with Yakima Pride, Pay it No Mind is loaded up with ripe pineapple and berry flavors (cans available)
- **Single Hill The Messenger WC IPA** - Pale, resinous West Coast IPA with aromas of grapefruit & guava and flavors of ripe melon on a crisp, clean pilsner malt base (draft available)
- **Single Hill Lost Lake Sour** - This is a seriously fruit-infused sour for folks that don't mess around. Featuring all of our favorite fruits, Lost Lake is a medley of tart, sweet, and tangy flavors with sure to refresh your palate (cans available)

- **Single Hill Tub Steppes WC Pils** - Brewed in collaboration with and in support of the Lowicne Canyon Conservancy, this crisp refreshing lager features a bold hop-forward nose. Perfect for after a hike. (Or during a hike if that's your thing.) (cans available)
- **Single Hill Spinning Yarn Hazy IPA** - Hazy IPA featuring hops from New Zealand for a tropical punch. Notes of guava, passionfruit, and tangerine on a soft body with reserved bitterness (draft & cans available)
- **Terramar Octopus Garden Gose** - German style kettle soured gose - soured on a blend of lactobacillus strains, and fermented out clean and dry with a neutral American ale yeast strain. Conditioned on locally harvested bull kelp infused sea salt from San Juan Sea Salt, this gose is dry, tart, and slightly briny with rounded saline minerality(draft available)
- **Trap Door Northern Connection Pils** - We blended 3 premium Pilsner malts and used Saphir and Hersbrucker hops to create this light, dry, bitter Pilsner with Via Beer in Portland (draft available)
- **Trap Door Traproom Hazy IPA** - We teamed up with our good pals of TapRoom Beer Co from San Diego to bring you this Hazy DIPA. We decided to blend our two styles and came up with something uniquely delicious. A totally new grain bill and a brand new to us yeast strain blend with a TON of Citra to create a smooth tropical paradise. With a dry hop of over 8 pounds per barrel this beer pops, but remains a balanced drinking experience
- **Triceratops Shogun Assassin IPA** - Like a finely crafted weapon, Shogun Assassin is balanced and beautiful. A dangerously drinkable IPA that attacks with a trio of bold American hops: Citra, Azacca, and Bravo. Choose the sword (cans available)
- **Zoigl Fest** - An old school Munich-style Oktoberfest: deep orange in color from the Munich malts, light spiciness from the German noble hops, and a clean drinkability from the German Lager yeast. Prost! (cans & draft available)
