New & Featured Products - Week of 9/2

- **Alesong Vin to the Abyss BA Stout** - Brewed in collaboration with our friends at Deschutes Brewery, this is a unique concept we've been eager to try for quite some time. After trying a wine-grape-infused stout from the Bruery at one of our Alesong & Friends events, we knew we had to give it a go. This collaboration started in Deschutes' brewhouse, where we created a decadent imperial stout with lactose, oats, and dutch cocoa powder before co-fermenting on crushed and destemmed Horse Heaven Hills AVA Merlot grapes from Weinbau Vineyards. Once fermentation was complete, we aged in a combination of barrels from Westward Whiskey and French oak that previously held Deschutes' famed Abyss imperial stout. Bold chocolate and dark fruit create pure decadence in your glass (bottles & draft available)
- **Alesong Gose Anejo BA Sour** - Smooth sand under your toes, warm sunshine on your face, and an ice-cold drink in your hand – it's margarita season at Alesong! Margarita-inspired beer in the form of Gose Añejo, that is. For our fourth rendition of this mouthwatering, fan favorite beer, we've imitated a classic margarita by brewing this tart, gose-style ale with lime, Jacobson sea salt, and agave syrup. We then aged it in freshly emptied añejo tequila barrels straight from Mexico to give it a touch of earthy, smoky depth, and finished it on lime and orange zest for bright citrus notes. In case you can't slip away for a Mexican beach vacation, this complex and delightfully refreshing beer is the next best thing, we promise (bottles & draft available)
- **Altitude Non-Alcoholic Refreshers** - Lion's mane for clarity, L-theanine for relaxation, Magnesium for mood (cans & draft available)
- **Brickly Pear Margarita** - Citrus, Crisp, invigorating. Anticipation and mariachi horns fill the air. You know how to dance without overdoing it. This classic blend of salt and lime with a distinctive twist is always right when you're in your element. You've arrived.
- **Ēili'Koi Mai Tai** - Bold, lush, smooth. You've left the resort behind. After dusk, your sunburn is barely even visible. This juicy burst of sweetness will last you all the way till last call—or watching sunrise back on the beach. You've arrived.
- **Rosemary Spritz** - Herbal, bittersweet, refreshing. Crashing waves outside your coastal villa. Your hair tousled into photogenic perfection by the breeze. Let the waves lap at your linen hem while you sip this invigorating spritz. You've arrived.
- **Baumans Peach Bellini** - Just like a champagne cocktail, our Peach Bellini cider is light and delicately sweet, flavored with farm-fresh peaches. It's a great weekend brunch sipper! (bottles & draft available)
- **Boon Millésime Kriek** - an "Oude Schaarbeekse Kriek". In the summer of 2020, the cherries were harvested with which we made this delicate, traditional fruit beer based on Belgian Schaarbeek cherries and lambic. We had the fresh cherries fermented with lambic beer that had already aged for 18 months in wooden barrels. We used a total of 270 grams of cherries per litre. We then allowed the resulting cherry lambic to mature for another 6 months in oak casks (bottles available)
- **Buoy Tropical IPA** - Our Tropical IPA bursts with aromas of peach, pineapple, mango, and a light dankness. It has a medium mouthfeel and tastes slightly sweet with pronounced fruity character and a balanced finish. This crushable beer is perfect for enjoying on an adventure or while relaxing on a bar stool (cans available)
- **Buoy French Pilsner** - Our French Pilsner begins with herbal and floral aromas, with hints of lemon on the nose, unfolding into bread and honey notes with a touch of spiciness. Traditionally a malt-forward pilsner, this lager sets itself apart from its Italian and German counterparts. Made with Jehanne D'arc Pilsen malts and Strisselspalt and Elixir hops from the hop-growing region of Alsace, it's a taste of France right here in Astoria (cans & draft available)
- **Buoy Festbier** - Brewed in collaboration with Zoiglhaus Brewing Co., our Festbier is crafted with heirloom German malts and balanced with Kazbek and Hallertau hops. This crisp, full-bodied lager boasts flavors of freshly baked bread, aromas of biscuit, honey, and floral notes, with a hint of bitterness and a clean finish. Lift your stein and shout "Prost!" to embrace the Oktoberfest season! (cans available)
- **Dalliance Three of Stones Apricot Sour** - This beer features bright acidity with jammy apricots and just enough sweetness to bring it all together (draft available)
- **Future Primitive Farm Boy IPA** - Farmboy IPA celebrates our favorite purveyor of the laciest smash burgers in town! (cans & draft available)
- **Norte Guava Sour** - For the friends of summer, longing to embrace the bright citrus and tropical fruit flavors from this tart and crisp ale, we raise this pint. To the warm evenings spent with friends, salud! Great at the beach. Great on the couch. Wherever you are, we hope you enjoy this delightful beer! (draft & cans available)
- **North Jetty Boneshaker IPA** - Named after the song by Australian rock band Airbourne, this IPA was designed to make you want to shake your bones. With aromas and taste of sweet citrus and berry, an incredibly smooth finish, you will not believe that this IPA is 7.9% (cans & draft available)
- **Sig Walking on Sunshine Citra WC IPA** - Our latest West Coast IPA is all about one hop - Citra - but in multiple more modern forms. Brewed with a simple malt bill of 2-row, oats, and a touch of honey malt, kettle hopped with Citra extract, whirlpool with YCH Citra Dynaboost hop oil, then DDH's with YCH's Citra Hyperboost flowable extract and Haas' Citra Lupomax concentrated hop pellets. The end result?! All Citra all day leaving waves of lychee, fresh cut citrus, peach, passionfruit, and gooseberry (draft available)
- **Sig Antennas to Heaven Hazy IPA** - Hazy IPA brewed with pilsner, a hefty dose of both unmalted and malted wheat, paired with rolled oats and a kiss of honey malt. Whirlpool hopped with NZ Motueka for a bright citrus and tropical zing, then DDH'd with HBC 586 Lupomax and NZ Nelson Sauvignon hops for a big tropical hit coupled with some gooseberry and slight wine grape character (draft available)
- **Single Hill Pay it No Mind Hazy IPA** - Brewed in Collaboration with Yakima Pride, Pay it No Mind is loaded up with ripe pineapple and berry flavors (cans available)
- **Single Hill Tub Steppe WC Pils** - Brewed in collaboration with and in support of the Cowiche Canyon Conservancy, this crisp refreshing lager features a bold hop-forward nose. Perfect for after a hike. (Or during a hike if that's your thing.) (cans available)

Perfect for after a hike. (Or during a hike if that's your thing.) (cans available)

- **Single Hill Groundswell Hazy IPA** - Ride the waves confidently with this well-balanced and crushable Hazy IPA. Notes of fruit punch and pineapple adorn a soft body with reserved bitterness (cans & draft available)
- **Single Hill Flight Cancelled Lager** - This copper lager tastes of well-baked biscuits with a hint of toffee and touch of herbal Czech hops on the nose (cans available)
- **Single Hill Prickly Pear Sour** - Prickly Pear and Lemon combine for a sunset hued, bright and refreshing cocktail-like sour (cans available)
- **Single Hill Sandstorm WC IPA** - Collaboration with Yakima Chief Hops showcasing HBC 586 in multiple formats (cans & draft available)
- **Single Hill Mind Plant DDH WC IPA** - Look deeply into the Mind Plant... you are experiencing flavors of lush mango and pineapple... you want more (cans & draft available)
- **Single Hill Czech Pilsner** - Classic Czech lager brewed with Continental Pilsner malts and Czech hops. Complex bready maltiness with a forward noble hop profile (cans & draft available)
- **Single Hill Gratitude Lager** - Con esta cerveza, damos Gratitude a los campesinos. Que cuidan los campos y la cosecha del lupulo que da vida a la cerveza. With this beer, we give our Gratitude to the farm workers who tend to the fields and harvest the hops that give life to beer (cans available)
- **Stemma Scenic Route Pale** - Scenic Route Pale ale is an American Pale Ale featuring Citra, Mosaic and Chinook Hops. There is a smooth balanced bitterness with a bright aroma of citrus and berry (cans & draft available)
- **Triceratops Shogun Assassin IPA** - Like a finely crafted weapon, Shogun Assassin is balanced and beautiful. A dangerously drinkable IPA that attacks with a trio of bold American hops: Citra, Azacca, and Bravo. Choose the sword (cans available)
- **Triceratops Peachy Keene Golden** - Loaded with the bright, tropical aroma of Azacca hops, the juicy flavor of ripe stone fruit, and a touch of flaked wheat to add body. It's a beer for the end of a season and a new beginning (cans & draft available)
- **Zoigl Fest** - An old school Munich-style Oktoberfest: deep orange in color from the Munich malts, light spiciness from the German noble hops, and a clean drinkability from the German Lager yeast. Prost! (draft available)
