

New & Featured Products - Week of 3/10

- **Alesong Single Origin Farmhouse** - Estate grown farmhouse ale spontaneously fermented on Reisling grapes. In Single Origin, we're thrilled to offer for the first time a beer created entirely from a single source, with 100% of the ingredients coming from Silverton's Goschie Farms: Goschie barley and hops are joined by Goschie Riesling and fermented spontaneously using the microflora naturally occurring on those grapes. We hope you sense every aspect of Goschie terroir with each successive sip (draft & bottles available)
- **Alesong Cuvée Soleil Sour** - Mimosa-Inspired Sour ale aged in French Oak barrels with Pinot Gris grapes and tangerine. Taking inspiration from the classic brunch cocktail, Cuvée Soleil is an oak-aged sour beer, matured with pinot gris grapes grown right next door at King Estate and finished on bright and sweet tangerine that jumps from your glass. Tart and juicy with just a hint of sweetness, this beer will transport you from wherever you are to that perfect sunny patio brunch. Santé! (draft & bottles available)
- **Alesong Cinnamon Roll Maestro** - Barleywine aged in whiskey barrels with Cinnamon and Vanilla Beans. Spicy cassia cinnamon balances with the sultry flavors of whole vanilla beans to add an unmistakable pastry essence to the caramel and toffee notes of our classic English-style barleywine ale. Maturation in Portland's Westward Whiskey barrels adds notes of oak and layers of depth to contemplate as you sip by a crackling fire (draft & bottles available)
- **Baumans Boysenberry Lemonade** - Luscious Bauman's Boysenberries beautifully blended with fresh-squeezed lemon juice and zest for a refreshing semi-sweet fruity cider (draft & bottles available)
- **Bellingham Cider Tips Up Spruce/Cranberry** - Tips Up was made in collaboration with our friends at the Mount Baker Ski Area. This exclusive cider features fresh Cranberries and natural Spruce Tips, perfect for those chilly days on the mountain. Tips Up! (cans & draft available)
- **Future Primitive Dark Lager** - Our classic authentic Dark Lager is back!. The Dark lager has a rich deep dark brown color with ruby highlights. Subtle notes of roasted malt. Wafts of coffee and caramel that are followed by a very clean finish. Don't be fooled by the dark rich color, this beer is clean and easy to drink. Time, tradition and tenacity (draft available)
- **Hetty Alice DDH Westie IPA** - Pours a deep tangerine with resilient off-white foam. Strata shines in this borderline irresponsible dry hop. Big juicy aromas of candied strawberries, white peach and pineapple precede satisfying flavors of orange marmalade, black currant and gooseberry before a long pithy and pine finish (cans available)
- **Hetty Alice West Coast Pils** - Pours a radiant golden straw with a pillowy white foam. Nelson and Mosaic shine here. Aromas of starfruit, mango and white grape precede playful flavors of mandarin, guava and blueberry before a crisp, resplendent finish. 5.6% ABV 100% RADICAL! (draft & cans available)
- **Hetty Alice Dry Irish Stout** - Pours in an inky cascade with everlasting off-white foam. Aromas of roasting coffee and baker's chocolate lead to velvety smooth flavors of nougat and cacao before a long, smooth, roasty finish. 5.3% ABV 100% GOODNESS! (draft & cans available)
- **Little Beast American Pale** - A version of classic American style. Punchy with Sabro, Citra, and Cascade hops. Balanced, medium bitterness, with a nice finish with lemon, grapefruit, and coconut (draft & cans available)
- **Little Beast Soul Seeker WC IPA** - Indulge your senses with our new, radiant West Coast IPA, Soul Seeker. This golden brew dances to a tropical drum beat with a twist of kumquat. Experience this vibrant brew as you start your journey (draft & cans available)
- **Little Beast Escape Goat NZ IPA** - West-Coasty with distinctive dry hop of Rakau, Nelson, Nectarone (draft & cans available)
- **Little Beast Polish Pils** - a fun one-off we did with some visiting Polish brewers and their hops. The beer is called "Uśmiech" which means 'smile' in Polish (draft & cans available)
- **Living Haus Babi Dark Czech Lager** - Babi is a Czech Dark Lager, or Černé Pivo as the Czech say. Pilsner, Vienna, and a little roasted malts were decocted in the mash to provide more malt depth. We then hopped this beer with only the finest Czech saaz and the results showcase notes of cracker, roast, and cola with a spicy saaz aroma (cans available)
- **Living Haus Frank w/ Lime Mexican Lager** - This festive version of Frank, our Mexican lager, was treated with a bit of lime zest to give it a familiar flavor profile we all love. If this isn't the perfect beer for winter in the Pacific Northwest we don't know what is. Salud! (cans available)
- **Living Haus Mr Mercury Bohemian Pilsner** - Say hello to Mr. Mercury, our take on a traditional Bohemian pilsner. Brewed with only the finest Saaz hops and a blend of Bohemian barley malts grown in the Czech Republic, this beer will have you singing from the rafters. Or at least trying to, nobody can hit those notes like Freddy could. This rich and complex malt profile is breadly with a hint of biscuit on the finish that compliments the soft bitterness from the Saaz hops. Noble hop notes of spice and delicate floral aromas tie everything together in a nice little package. What we're saying is it's totally fucking crushable (draft & cans available)
- **Living Haus Dottie Italian Pilsner** - Dottie is the second release in our Italian Pilsner series and we think she's a winner. A blend of Pilsner malts meet Hallertau Blanc, Spalter Select and Saaz hops. Lemon balm, notes of light grass and lilac are layered over a simple, breadly malt profile (draft & cans available)
- **Living Haus Lester WC IPA** - Breakside Collab - this super tasty IPA is loaded with Mosaic, Strata & Centennial hops! Bright, clear & loaded with notes of Berry, Lime & Mango (draft available)
- **Living Haus Toby Cream Ale** - brewed for the 10th anniversary of Portland SheBrew fest - this is a classic cream ale with some modern hop twists. Citra & Amarillo provide a lightly fruit forward ale that is uniquely crushable (draft & cans available)
- **Lowercase Purity Law German Pilsner** - A pilsner that obsessively adheres to the rules of Reinheitsgebot, aka the Bavarian Purity law. Flavor over efficiency. Its beer as it used to be (cans available)

- **Lowercase Czech Pilsner** – Collab w/ Ladd&Lass - A Czech Style Pilsner using floor malted Bohemian Pilsner malt stuffed with Saaz & Sterling on the hot side, then dry hopped with Sterling while lagering. Na zdraví to 3 years, Ladd 'n Lass! (draft & cans available)
- **Norte Tucan WC IPA** - Saying that this IPA displays hop aromas as vibrant as our friend El Tucán is pretty on mark. Always chatty and friendly while hanging around the fruit trees, El Tucán showcases the flavors and aromas of citrus and tropical fruit. May you enjoy it with your own durante (flock)! (draft & cans available)
- **Sig Shook and Shake Strawberry Milkshake IPA** - Milkshake style IPA brewed with milk sugar, oats and wheat. Gentle kettle hopped with French Barbe Rouge hops and dry hopped with HBC 1019 Lupomax. Finished on strawberry puree and vanilla for a silky milkshake finish. (Note, this beer is full bodied but NOT a smoothie, thus will not settle in the keg) (draft available)
- **Sig Asami Rice Lager** - Dry Japanese style rice lager brewed with 30% Jasmine rice, 15% flaked rice, and 55% Pilsner malt. Gracefully hopped with Sorachi Ace to coax a gentle waft of fresh wildflower, green tea, and citrus zest (draft available)
- **Sig Optimistic Brett Saison** - Mix culture brett saison dry hopped with Mosaic bringing out a little new world flare to a classic style. Brewed with Mecca Grade Estate Malts including a variety of malted and unmalted wheats and kettle hopped with German Spalt Select hops, this beer went through a 10 week fermentation process to coax out the best this 3 brett yeast strain has to offer. Light, effervescent, and inviting with its beautiful blend of tart and mild funk, this dry finishing offering is truly the beer I've been most excited about in a while! (draft available)
- **Sig Suedehead Hazy IPA** - Hazy IPA brewed with Cascade and DDH'd with Strata and Vista hops. Fermented with a yeast stain that kicks off a lot of orange/citrus character. Vibrant and fresh citrus pith make way to the dank and fruity combination of Vista and Strata (draft available)
- **Sig SigLing American Amber Lager** - Yep, it's a riff on a Pennsylvania classic! Brewed with Mecca Grade estate malts, a variety of specialty malts, and corn grits, our Amber lager is hopped with Cascade and US grown Saaz hops (draft available)
- **Sig Pilsifer New American Pilsner** - Our dry hopped pils returns after a brief hiatus. This is a fun one as it was kettle hopped with Mosaic and dry hopped with NZ Kohia Nelson, which is Freestyle Hops blend of passionfruit skins and Nelson Sauvignon hops grown in Nelson Lakes, NZ. 5.6% abv (draft & cans available)
- **Sig Employee of the Week! WC IPA** - This was a fun one and inspired by a conversation I had with Julian Shrago, owner and brewer of Beachwood Brewing, back at Fresh Hop Ale Festival back in October. He calls it a "hyper IPA" and it uses enzymes to convert the mash into highly consumable sugars resulting in a very dry finish, but it is different from brut IPA's in its hopping schedule. Late kettle additions of Krush T-90 hops and a whirlpool of Mosaic Incognito hop oil, then DDH'd with more Krush and Mosaic T-90 pellets. A lively, fun and offering and a style I'm excited to continue exploring. 7.5% abv (draft available)
- **Single Hill Optical Allusion WC Pils** - Alongside an addition of Ariana for a modern German twist to this pilsner, the dry hop combo of Citra and Mosaic are the stars of the show - lending notes of bright citrus and subdued berries (cans available)
- **Single Hill We Love LA Hazy IPA** - We brewed this one in solidarity with and in support of our friends in Los Angeles. A portion of proceeds will go to the United Way of Greater LA's Wildfire Relief Fund. Brewed with Idaho 7 & Citra (draft available)
- **Stemma Mosaic Single Hop IPA** - Part of our single hop series featuring 100% Mosaic hops. Medium body and mild sweetness give way to juicy Mosaic Hop flavors of blueberries and stone fruits (cans available)
- **Trap Door Immortality Hazy IPA** - Immortality is the song that gave birth to the name idea for Trap Door Brewing. In honor of Pearl Jam releasing their new album we decided to create this beer to celebrate our love for music and intertwined stories. Immortality was our first chance to use a newer hop from Segal Ranch named Anchovy, but this year we switched it to their newest hop Tangier. Tangier is an exciting hop that brings big zesty tangerine and orange flavors. We think those flavors work very well in hazy IPA, and hope to get more of this hop for future uses! We made some slight tweaks to our malt profile to create a very light color and build a big fluffy body without feeling heavy or overwhelming (draft available)
- **Triceratops Azacca Hazy Pale** - This hazy pale delivers a lush and juicy experience, spotlighting the tropical vibrancy of Azacca hops and the earthy complexity of Topaz hops. The aroma bursts with notes of ripe mango, pineapple, and zesty citrus, balanced by a subtle hint of resinous pine and stone fruit (draft & cans available)
- **Triceratops Collin James Irish Red** - Low in alcohol and bitterness, this Irish Red Ale is a well balanced people pleaser. Lightly hopped with the mild, earthy, and somewhat woody Fuggle variety, this beer entices the nose with a rich, toffee-like aroma. Meanwhile, notes of plum and raisin play with a slightly bready and nutty flavor provided by Irish ale malt and a touch of roasted barley (cans available)
- **Triceratops BoShank Cold IPA** - This crisp and refreshing Cold IPA packs a punch with its unique hop blend of Alora and Topaz. Expect a bright burst of tropical fruit, citrus zest, and subtle pine notes, balanced, and a crisp finish. Bo-Shank is a hobo's dream of bold flavor and effortless drinkability. Perfect for those who wander and those who wonder. ABV 6.5% (draft & cans available)
- **Zoiglhaus Hopped to Helles** - Hopped to Helles starts with the Zoiglhaus brewers casting out our Gold-Medal winning Zoigl-Hell. During fermentation we then smite the beer (dry hop) with even more Hallertauer Mittelfrüh and Saaz hops. The spicy and herbal hop aromatics may not be fire and brimstone, but they won't leave you in limbo, either. Noble in nature, devilishly delicious! (draft & cans available)
